

Vulnerable Youth: Background and Policies (Paperback)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

VULNERABLE YOUTH: BACKGROUND AND POLICIES (PAPERBACK)

[DOWNLOAD PDF](#)

Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. The majority of young people in the United States grow up healthy and safe in their communities. Most of those of school age live with parents, and attend schools that prepare them for advanced education or vocational training and, ultimately, self-sufficiency. Many youth also receive assistance from their families during the transition to adulthood. During this period, young adults cycle between attending school, living independently, and staying with their families. A study from 2009 found that over 60% of young people ages 19 to 22 receive financial support from their parents, including help with paying bills (42%), tuition assistance (35%), providing personal vehicles (23%), and paying rent (21.5%). Even with this assistance, the current move from adolescence to adulthood has become longer and increasingly complex. For vulnerable (or "at-risk") youth populations, the transition to adulthood is further complicated by a number of challenges, including family conflict or abandonment and obstacles to securing employment that provides adequate wages and health insurance. These youth may be prone to outcomes that have negative consequences for their future development as responsible, self-sufficient adults. Risk outcomes include teenage parenthood; homelessness; drug abuse; delinquency; physical and sexual abuse; and school dropout. Detachment from the labor market and school-or disconnectedness-may be the single strongest indicator that the transition to adulthood has not been made successfully. The federal government has not adopted a single overarching federal policy or legislative vehicle that addresses the challenges vulnerable youth experience in adolescence or while making the transition to adulthood. Rather, federal youth policy today has evolved from multiple programs established in the early 20th century and expanded in the years following the 1964 announcement of the War on Poverty. These programs are concentrated in six areas:...
